It has deep pile carpeting, with a beautiful Sky ceiling, and gleaming white columns against ebony walls that reach to the "sky" sixteen feet above. You have the sound of the eight foot fountain in the background. Seasons is popular as a wedding ceremony venue because of it's ability to seat 140 in that configuration. Because Seasons retains its enormous dance floor, bar, club style special effects lighting and an incredible 30,000 watt sound system, it is the premiere event space in Bucks County for Sweet 16s, Bar/Bat Mitzvahs and corporate events. If your goal is to throw a party with a capital P, this is the place to do it!
